

Child Survival and Health Grants Program

**Office of Health, Infectious Diseases and Nutrition
Bureau for Global Health
USAID**

CSHGP Background

- **1985 in PVC/DCHA (formerly BHR)**
- **Purpose: To improve the capacity of US-based PVOs and their local partners to carry out effective, sustainable child survival programs**

CSHGP Background, cont'd

- In 2002, with the USAID reorganization, the program moved to the Bureau of Global Health, Office of Health, Infectious Diseases and Nutrition
- Renamed the Child Survival and *Health* Grants Program
- High quality standards maintained in GH/HIDN with some changes to support the expansion and strengthening of PVO contributions to improving child and maternal health.

CSHGP Strategic Objective

- **Support U.S. PVOs and their partners to carry out effective, quality child and maternal health and nutrition, family planning, HIV/AIDS and infectious disease programs that measurably improve infant, child and maternal health and nutrition, and contribute to the reduction of infant, child and maternal mortality, unintended pregnancies and to the reduction of mortality due to TB and HIV/AIDS.**

CSHGP Interventions Include:

- Immunizations
- Nutrition & Micronutrients
- Breastfeeding Promotion
- Control of Diarrheal Disease
- Pneumonia Case Management
- Control of Malaria
- Maternal & Newborn Care
- Child Spacing
- HIV/AIDS Prevention
- Family Planning
- Tuberculosis

Current CSHGP Project Composite Intervention Mix

- Immunization 10.3%
- Nutrition 11.2%
- Vitamin A 2.7%
- Micronutrients 2.8%
- ARI 12.1%
- CDD 15.1%
- Malaria 13.0%
- MNC 15.1%
- Child Spacing 5.3%
- Breast Feeding 5.9%
- HIV/AIDS 6.6%

GH/HIDN/CSHGP Annual Cycle

CSHGP Partners

- **U.S. PVOs and their partners**
- **The Child Survival Collaborations and Resources (CORE) Group - www.coregroup.org**
- **Child Survival Technical Support Plus (CSTS+) Project - www.childsurvival.com**
- **Global Health Bureau and its Collaborating Agencies - www.usaid.gov**
- **USAID Field Missions**

CSHGP Vision

To expand the role and contributions of PVOs to USAID's Global Health programs through:

- **Supporting PVO programs to achieve scale and impact.**
- **Facilitating PVO participation in global health alliances and initiatives (such as RBM and IMCI).**
- **Fostering opportunities for in-country collaboration among PVOs as well as other partners.**

CSHGP Vision cont'd

- **Facilitating PVOs to leverage other resources through partnerships, networks, etc. that contribute to the expanded role of PVO programs**
- **Promoting dialogue on maximizing PVO contributions to sustainable development.**
- **Tracking achievements of PVO programs with CSTS+**

What's New This Year

- **Eligible country list reflects the Global Health country priorities**
- **New illustrative examples for the Expanded Impact Category**
- **Exploring ways to integrate TB into MCH and HIV/AIDS programs**

What's New This Year cont'd

- **Orphans and vulnerable children and youth in AIDS-affected areas**
- **Changes to the Evaluation Criteria**
- **Focus on sustainable outcomes under Cost Extension Category**
